The 2022 HKBU AVA BA Graduation Show sails the Ship of Theseus, guiding our graduates through the turbulent seas to find their coast.

Making is remaking. The tempering of thought and refinement of imagination. Ideas combine to make an alloy of the old and new. We take it apart, put it back together, only to take it apart again. In the hundreds of iterations, are we holding onto anything?

Bridging the virtual and the real, our graduates sketch their blueprints. In the abandoned, assimilated, and inexpressible, is forged each graduate's ship.
