CHINESE DANCE X MARTIAL ARTS “Convergence” – Work in Progress!

Designed as a platform for in-depth discussion and exploration on interdisciplinary collaborations, HKDC’s “Research study on Chinese martial arts and Chinese dance” explores new dance forms and new directions for traditional Chinese dance training. The research team includes HKDC artistic director Yang Yuntao, as well as dancers, kung fu masters, academic researchers and experts in the field. “Convergence”, the new dance production, begins to take shape under the continuous exploration of our researchers/dancers. The fruits of this initiative will be presented to the public in the form of a series of workshops, seminars, exhibition, performances and other events.

Learn more about Hong Kong Dance Company's Inaugural Artistic Interdisciplinary Research via browsing the official website of "Research study on Chinese martial arts and Chinese dance" (www.hkdanceresearch.com) and keep up to date with the latest news of "Convergence" and more up-coming activities!
