HKDC is bringing works of Seoul and Yanbian artists together in Hong Kong for the first time to showcase the traditional charm and contemporary elegance inherent in Korean dance.

Sense the power of nature through the body, take in worldly beauty and meditate on the origins of life.

Premiered in 2021 as Hong Kong Dance Company's opening performance for its 40th anniversary dance season, *Shan Shui: An Ode to Nature* has won wide acclaim. The Company's three-year research study on Chinese Martial Arts and Chinese Dance has brought elements of Chinese martial arts into dance training, constructed a richer texture of dance and taken the dance performance in *Shan Shui* to another level.
